

DSNY Columbia Association Members:

Health IQ would like to offer our services to the DSNY and Columbia Association Members for the sole purpose of saving your members money on their life insurance needs. Health IQ can not only help those members who don't have current policies, we can also re-shop your current coverage with our proprietary policies only available at HIQ in an attempt to lower your monthly premiums.

We have hand-picked, experienced agents, to ensure your members are receiving the best service possible by agents who understand underwriting and who will know which of the 30 carriers we work with that best fits your members' individual needs. Our agents have written policies ranging from \$100,000 all the way to \$30,000,000 for high net worth individuals. Additionally, we have an in-house underwriter who was formally the Chief Underwriter at MetLife to help ensure fast approval at the best rate class possible.

We will respond to your members quickly, usually within minutes once they enter the link and fill out the brief information. Health IQ is the only Life Insurance Agency in the US who can save your health-conscious members 4-33% on their policies.

Summary of Benefits:

- Can get your health-conscious members 4-34% lower rates
- Get all member the best rate class possible for their situation (30 carriers)
- Get members approved faster at better underwriting classes (70% at Preferred Plus)
